2. Points raised in TCS-970-57, 4 March 1957 have been discussed with AFOIN-Z/NTPC representatives, [REDACTED], and with [REDACTED] CIA. Decision has been made that the document, which is classified "TOP SECRET GRESS" will not be altered for dissemination within the TALENT system. Since dissemination and control of this report will be only within the system sanitization, as such, is not involved.

3. With respect to paragraph 3 of your memorandum, an initial NTPC sanitization report was submitted on 19 December 1956 (TH 2090-6) and was approved by memorandum, your office, 9 January 1957 (TCS 667-57). The type report authorized for release in your 9 January memorandum is considered to be a standard NTPC report, therefore, it is assumed that those reports may be released on a continuing basis under authority granted in TCS 1035-57. Any NTPC reports which do not fall within the scope of this authority will be submitted for review and approval for release.
